

Asthma Training

Digital Tools for Asthma Self-Management

The Digital Health Passport team is delighted to announce fully funded asthma training to healthcare practitioners and educators in contact with asthma patients.

Are you a Nurse, Pharmacist, Paramedic, Doctor, Sports Teacher, Physiotherapist or Healthcare Student?

If so, sign up to the **free 1 hour Digital Tools for Asthma Self-Management** course today!

The course will cover:

- Essentials of supporting patients to self-manage asthma
- Understanding and assessing the best digital tools for asthma
- Case study: the features and benefits of the NHS funded Digital Health Passport asthma app.
