E-Voucher Pathway

We're excited to let you know that we are ready to use PharmOutcomes to generate E-vouchers enabling people that we support to collect their NRT products from pharmacies.

The process couldn't be easier - simply enter the voucher code into PharmOutcomes and any products we've requested will be listed.

We have provided a short instructional video detailing how this will work, and we've included brief details below; but please reach out with any questions or concerns you may have so that we can ensure a seamless experience for all participants.

1. Service User attends pharmacy with an E-Voucher for NRT containing a unique voucher code.
2. Enter the NRT voucher code into PharmOutcomes.
3. Record the NRT supplied (begin typing product and select from the dropdown list) and the quantity.
4. If more than one product has been requested select 'Second NRT type requested' and repeat.
5. Confirm whether products have been provided and save.

A Bit About Us

For those of you who we haven't met, we're Smokefree Lancashire. We're commissioned by Lancashire County Council to deliver Smoking Cessation Services across Lancashire.

Our services include:

- Advice and information about smoking
- A personalised plan for quitting
- A Stop Smoking Advisor to provide one-to-one support
- Stop smoking products, where appropriate, like nicotine patches, mouth spray, gum, lozenges and vapes (for over 18s only)
- Appointments available over the phone or in person
- Advice on coping with cravings, triggers and staying motivated
- Promoting the benefits of giving up smoking
- Help to understand the potential cost savings to be made when quitting smoking
- Specialist Young Person's Service
- Morning, afternoon, evening and weekend services are available

If you have customers that would benefit from support to stop smoking, please refer them onto us using our online referral form. It only takes a couple of minutes to complete, and your support can contribute to improving health outcomes for people across Lancashire.
